The Horse Riding Centre at the Forest Park for Culture and Leisure is operated by the Caritas Diocese of Bydgoszcz.

The main asset of the Horse Riding Centre at the "Myślecinek" Park is its picturesque location among the beautiful landscape of the Forest Park. The Centre features a race track, paddocks, stables with boxes for 50 horses, a carriage house and two indoor horse-breaking grounds. Therefore, we are able to organize show jumping competitions and horse-drawn carriage races. Our primary activity, however, is the HORSE RIDING SCHOOL.

Our Horse Riding Centre also includes stabling facilities for private horses. If you own a horse but no stable, you can have our professionals take care of your animal and lodge it in our stables.

We also offer a service for... weddings! At the Horse Riding Centre, you can hire an elegant horse on which you and your spouse can ride off to start the first chapter of your new life together in style.

Moreover, we can also offer: horse and carriage rides, horse-drawn sleigh rides (so-called "Kuligs"), fox hunting (known as "Hubertus chases"), horse-riding shows, horse races, guided pony treks and campfire feasts.

CONTACT OR VISIT US FOR AN AMAZING HORSE-RIDING EXPERIENCE!
